The Personal Director, with the approval of the Mayor, may grant an extension of leave, without pay, subject to foregoing terms and conditions.

Upon expiration of a regularly approved leave without pay, the employee shall return to work in the position held at the time leave was granted. Failure on the part of an employee on leave to report promptly at its expiration, without good cause, shall be considered as a resignation.

Leave of absence without pay will not be granted under the above conditions to anyone requesting such a leave so as to try other employment. This does not prevent an employee of the City from requesting a leave of absence from his job to take another position within the City employ.

Any classified employee becoming a candidate for nomination or election to any partisan public office shall be granted leave of absence, without pay, to continue during the period of his candidacy but not to exceed one (1) year. This leave of absence shall only be granted if a written request is made by employee. Such leave shall be granted if a written request is made by employee. Such leave shall be approved in writing and signed by the Mayor and a copy filed with the Personnel Director. If the employee has not returned to his position at the termination of his candidacy for nomination or election, or at the expiration of one (1) year, whichever comes first, he will be deemed to have resigned. Any person filling this position must be informed of the incumbent's leave of absence.

7) Military Leave:

Any permanent full time employee in the classified service who is a member of National Guard or Naval Militia, or of Military of Naval Forces of the United States and is required to undergo field training therein, shall be entitled to leave of absence with pay, not to exceed fourteen (14) days in any one-year period, in addition to the annual vacation leave, provided the amount of compensation paid to such employee for such leave of absence shall be the difference between his compensation for military activities and the amount of salary or wages due as an employee of the City, as shown by a statement by military authorities giving his/her rank pay and allowances.

Rule XIV: Attendance and Leaves (cont.)

If the compensation for military service is equal to or greater than the salary or wages due as a City employee for the period covered by such military leave, then no payment shall be made. In the event that an employee enlists in or is inducted into the recognized armed and allied services of the United States in time of war or national emergency declared to exist by the President, then such employee shall be placed on leave for the duration of such war or national emergency and for ninety (90) days after separation from and mentally able to perform the duties thereof, and shall be entitled to all salary increases, and seniority, which he would otherwise have enjoyed except for military service.

8) Absence Without Leave:

An absence of an employee from duty, including any absence for a single day or part of a day, which is not authorized by a specific grant of leave of absence shall be without pay and may be subject for disciplinary action. Any employee who absents himself for three consecutive days, or on three separate occasions for less than three days without leave, shall be deemed to have resigned. Such action may be reconciled by the Personnel Director by a subsequent grant of leave if the conditions warrant.

9) Procedure in Requesting Leaves:

An employee requesting a leave of absence for any reason other than sick leave must do so in writing and such request shall be approved by his appointing authority and the Personnel Director. The Personnel Director shall determine whether the employee is entitled to the leave of absence and shall notify the employee and appointing authority of his approval and of disapproval. Requests for leave shall be made far enough in advance to allow time to carry out this procedure.

10) Holidays:

Paid holidays are covered in the various collective bargaining agreements. Where holidays fall on *Sunday*, the usual custom of granting them on the following Monday shall be followed.

A paid holiday which falls on a *Saturday* may be celebrated on either the preceding Friday or the following Monday. Department heads should use discretion in granting this day off so that their departments will be adequately staffed on both days.

The Personnel Director, with the approval of the Mayor, may authorize for the employees of all departments either full or partial days off in addition to those already authorized in these rules to permit early closing in such instances as severe snow storms, extreme hot weather, at times of celebrations and at noon December 24th and 31st. Where the welfare, safety and convenience of the public prevents closings or the use of skeleton forces, full forces shall be maintained.

Employees absent without leave on the last working day before or the first working day following a day specified in the respective collective bargaining agreements as a holiday, shall not be paid for said holiday.
