

## **Fall 2016 Neighborhood Tree Planting Program**

Limited to Only **5 Trees** available to the first 5 suitable residential sites.

### **Funded by the Conservation Committee**

**This is an opportunity to increase the diversity of Cranston's street tree canopy, increase Cranston's green infrastructure, enhance Cranston's landscape character, and beautify your front yard.**

Front yard location of tree is required and must be completely visible within 20 feet of the sidewalk or front Right of Way Line (R.O.W.) line. Participation in this program requires applicants to sign a consent and release form, provided by the City, to allow tree planting on their private property. Refer to the City Ordinance 9.08.063 the "BACK OF SIDEWALK" program for additional information.

Trees are awarded and provided free of charge by written request only.

Please submit application inquiries to the Conservation Committee by email to [sjpilz@cox.net](mailto:sjpilz@cox.net)

Application deadline is Friday October 7, 2016.
