Green Seniors

The Cranston Retired Senior Volunteer Program (RSVP) is looking for individuals 55 years of age and older to serve as “*Green Seniors Consultants*”. Under the Green Seniors program, trained senior volunteers will present Recycling Workshops to other seniors. Trained volunteers will provide recycling and household hazardous waste education workshops at the Cranston Senior Center and at the 11 Cranston senior housing facilities.

All Green Seniors workshops will be coordinated with the Cranston Department of Senior Services’ RSVP Office.

RSVP is one of the largest volunteer networks in the nation for people 55 and over. You can use the skills and talents you’ve learned over the years, or develop new ones while serving in a variety of volunteer activities within your community.
