# OWNER AFFIDAVIT

(FOR OWNER TO PERFORM WORK)

The undersigned, being duly sworn, upon oath, depose and state as follows:

I \_\_\_\_\_ am the owner and occupant of the single family dwelling located at: \_\_\_\_\_ Cranston, RI.

On \_\_\_\_\_, I applied for and received a:

Building permit # \_\_\_\_\_ Electrical permit # \_\_\_\_\_  
Mechanical permit # \_\_\_\_\_ Plumbing permit # \_\_\_\_\_

from the City of Cranston Building Official.

I as owner/occupant will undertake all work required to be licensed without the assistance of others or all work required to be registered without the assistance of others who are compensated.

I will ensure that all the work performed will be compliant to all related codes and that I will make all changes needed to correct any code violations.

I will ensure that the work is inspected by the proper code officials and will obtain all approvals prior to its use.

In the event that I decide to hire a contractor to perform work relative to the above mentioned permit(s), I will hire a licensed and / or registered contractor who will provide their license and / or registration number in person to the Building Official's office and sign the permit.

SIGNED: \_\_\_\_\_ (OWNER)

## § 23-27.3-113.3.1 Applications for work requiring licensed workers.

(a) Prior to the approval of a permit for which a state law requires licensed persons to be responsible for the plumbing, mechanical, electrical, and fire alarm work, the licensed person(s) shall show the building official a recognized form of identification from the state licensing boards and sign the permit. The local official may verify the work is being done properly in the following manner:

(1) The local official may at any time request the workers on the project to show proof of his or her license to perform the work, or

(2) If the worker is not a licensed person, then the local official may take whatever remedial actions allowed by the code pertaining to the improper work found in violation. The workers found to be doing work without a valid Rhode Island license shall be reported to the appropriate licensing board for sanctions and penalties.

(b) The owner/occupant of a single family dwelling shall be exempt from the requirements of subsection (a), but must obtain a permit, be inspected by the local official in accordance with the provisions of the code, and obtain approval of the work prior to use of the completed alteration. Additionally, in order to be exempt from the licensing requirements of subsection (a), the owner/occupant must undertake the work required to be licensed without the assistance of others.

## § 23-27.3-113.3.2 Applications for work requiring registered workers.

(a) Prior to the approval of a permit issued to any contractor for work which state law requires that said contractor be registered, the registered contractor shall show the building official a recognized form of identification from the contractors' registration board and sign the permit. The local official may verify the work is being done properly in the following manner:

If the worker is not a registered person, then the local official may take whatever remedial actions allowed by the code pertaining to the improper work found in violation. The workers found to be doing work without a valid Rhode Island registration shall be reported to the appropriate registration board for sanctions and penalties.

(b) The owner/occupant of single family dwelling shall be exempt from the registration requirements of subsection (a), but must obtain a permit, be inspected by the local official in accordance with the provisions of the code, and obtain approval of the work prior to use of the completed alteration. Additionally, in order to be exempt from the registration requirements of subsection (a), the owner/occupant must undertake the work required to be licensed without the assistance of others who are compensated.
