SAFETY SERVICES & LICENSES COMMITTEE

Regular meeting of the Safety Services and Licenses Committee was held on Monday, August 6, 2012 in the Council Chambers, City Hall, Cranston, Rhode Island.

I. CALL MEETING TO ORDER:

The meeting was called to order at 7:10 P.M. by the Chair.

Present: Councilman Paul H. Archetto, Vice-Chair
Councilman Michael V. Favicchio
Council President Anthony J. Lupino

Absent: Councilman Richard D. Santamaria, Jr., Chair
Council Vice-President Emilio L. Navarro
Councilwoman Maria A. Bucci

Also Present: Councilman Steven A. Stycos
Gerald Cordy, Deputy Director of Administration
Marissa Campisani, Director of Constituent and Government Affairs
Captain Gerard Carnevale, Police Department
Deputy Chief, Steve McIntosh, Fire Department
Evan Kirshenbaum, Assistant City Solicitor
Maria Medeiros Wall, City Clerk
Rosalba Zanni, Assistant City Clerk/Clerk of Committees
Heather Finger, Stenographer

II. MINUTES OF THE LAST MEETING:

On motion by Council President Lupino, seconded by Councilman Favicchio, it was voted to dispense with the reading of the minutes of the last meeting and they stand approved as recorded. Motion passed unanimously.

III. CORRESPONDENCE:

2012 Sports Bar & Lounge
request to lift restrictions on liquor license

1785 Cranston Street

Council President Lupino stated that this was approved by the full City Council and he questioned whether this is properly before this Committee. Solicitor Kirshenbaum stated that it is, but it still can be before this Committee, but it should go before the full City Council since they put the restrictions on the license.

III. CORRESPONDENCE: (Cont.)

2012 Sports Bar & Lounge (Cont.)

1785 Cranston Street

request to lift restrictions on liquor license

Gregory Piccirilli, Esq., appeared to represent the applicant. Also present was Richard DeAndrade.

Solicitor Kirshenbaum stated that the City Clerk showed him a copy of the license, which states that this was not above the cap and did not have to go before the full City Council.

Attorney Piccirilli stated that the restriction was placed on the prior owners of the establishment and his client agreed to have the restriction remain for six months and if after that time, there were no problems, the restriction would be lifted. There have been no problems or issues since and he asked that the restriction be removed.

Council President Lupino stated that he drove by the business last night and noticed vehicles parked on Bolton St. in front of homes of patrons going into this establishment. The parking designated behind the building is useless because there are dumpsters there and two vans are taking up spaces. He also stated that the patrons of this establishment are using Casali Liquors parking lot, the Chinese Restaurant parking lot and Bolton St. The two vans parked in the lot behind this establishment have advertising of "Mama King's Catering". He questioned if they are catering food for this restaurant and if they are properly licensed. Mr. DeAndrade stated that they have the proper licenses. Council President Lupino asked if they have a license from the City. Mr. DeAndrade stated that they provide hot food for his business. City Clerk indicated that there is a license in the file for "Mama King's LLC".

Councilman Favicchio asked what the reason is for the restriction to be lifted. Mr. DeAndrade stated that if he ever decides to sell the business, it would be hard to sell with this restriction and it is very hard for him to advertise with this restriction in place.

Charlotte Schiapo, 1767 Cranston St., appeared to speak and asked that the restriction remain in place. Parking is the issue.

Chair asked for any motions. No motions were made. Restriction will remain in effect.

Wal-Mart –Show Cause

1776 Plainfield Pike

TKG Cranston Development LLC –violation of noise & all night operation

Patriot Disposal – violation of noise & all night license

Solicitor Kirshenbaum stated that he spoke to Matthew Leonard, Safety Director for Vinagro Corp, who is present this evening, who handles the disposal for Wal-Mart. He stated that it was agreed that Wal-Mart will pay the Safety Services and Licenses Committee a fine of \$250. Solicitor Kirshenbaum stated that Mr. Leonard has given him his business card, which he will give to the City Clerk, if there are any future problems that may occur.

Matthew Leonard, Safety Director of Vinagro, Corp., appeared to speak.

Council President Lupino asked if there are any GPS in the trucks so they can be traced as to where they are at any given time. Mr. Leonard stated that currently, they do not, but they are being installed this weekend. He will also be meeting with the management company and neighborhood group, if there is one.

III. CORRESPONDENCE: (Cont.)

Wal-Mart –Show Cause (Cont.)

1776 Plainfield Pike

TKG Cranston Development LLC –violation of noise & all night operation

Patriot Disposal – violation of noise & all night license

On motion by Council President Lupino, seconded by Councilman Favicchio, it was voted to accept the \$250 fine from Patriot Disposal with promise it won't occur again.

Under Discussion:

Chair asked when the pickup is. Mr. Leonard stated that he is not 100% sure, but he believes it is Tuesdays. Chair asked Mr. Leonard check into this and provide this information to the City Clerk.

Roll call was taken on above motion and motion passed unanimously.

Discussion regarding noise violation

No one appeared to speak. Solicitor Kirshenbaum stated that at a meeting he had with Wal-Mart, he was advised that they did not have to appear this evening. Council President Lupino asked for follow-up regarding this issue be given next month.

IV. OLD BUSINESS:

At- Mall Mini Mart

41 Warwick Ave.

Michael Coelho

Hours: 6a.m. – 1 a.m.

(Holiday/Victualling License (contd 7/9/12 for abutters notice for hours)

Joseph Manera, Esq., appeared to represent the applicant, Michael Coelho, who was also present.

Attorney Manera stated that the operation of the business will be the same and hours of operation will be 7:00 A.M. to 1:00 A.M.

Robert Hart, 16 Edgewood Ave., appeared to oppose to the hours this establishment currently has and stated that this business is a nuisance and some of the issues are: patrons parking in front of his home and onto the street, litter, noise, dumpsters are never covered. He has reported this to the City, but they still keep doing it. He stated that there are drug transactions going on from this business. Ten or eleven o'clock closing would be more acceptable for this neighborhood.

Denise Marcinko, 9 Ivy Ave., appeared to speak and stated that traffic is awful and there is litter everywhere from this establishment. There is no need for this establishment to be open past 11:00 P.M. She indicated that the other evening, there was a riot on Westwood Ave. and Providence Police had to be called to protect the neighborhood.

Chris Horn, 45 Edgewood Ave., appeared to speak and stated that speeding up and down the street is a nightmare and noise is unbearable.

IV. OLD BUSINESS: (Cont.)

Al- Mall Mini Mart (Cont.)

Michael Coelho

(Holiday/Victualling License (contd 7/9/12 for abutters notice for hours)

41 Warwick Ave.

Hours: 6a.m. – 1 a.m.

Councilman Stycos asked what hours this establishment is currently open. Attorney Manera stated 6:00 A.M. to 12 Midnight. Councilman Stycos asked who will be responsible for cleaning up garbage from the parking lot. Mr. Coelho stated that he will. He applied for the license on August 1st and is new to the area. He asked neighbors to give him the opportunity to show that he will keep the area clean and be a good neighbor. As to the speeding from patrons going to his establishment, it is very hard for him to police his customers.

Councilman Stycos stated that he would like the business to close at 11:00 P.M. Attorney Manera stated that his client would agree to stay with present hours of 6:00 A.M. to 11:00 P.M.

Council President Lupino asked what the previous hours of operations were. Hammoud Ellaham, previous owner, stated 6:00 A.M. to 1:00 A.M.

On motion by Council President Lupino, seconded by Councilman Archetto, it was voted to approve this license with hours of operation to be 7:00 A.M. to 12 Midnight with six month trial with review in six months.

Under Discussion:

Council President Lupino asked Mr. Coelho to try to be a good neighbor by picking up trash and controlling noise and reach out to the neighbors and make certain that the dumpsters are secured because this is part of the problem that adds to the rodent problem in the City.

Roll call was taken on above motion and motion passed unanimously.

Al-Mall Pizza

Hammoud Ellaham

Operating on expired license

41 Warwick Ave.

Hammoud Ellaham appeared to speak and stated that his father owns this business. His understanding was the Mini Mart was operating under an expired license and this is why his father is not present this evening.

City Clerk indicated that the elder Mr. Ellaham was operating the Mini Mart prior to Mr. Coelho taking over, with an expired license.

No action was taken.

Burnside Street and Douglas Street, 3 way stop

Date referred to staff: 4/25/12

CC: Zanni; Cordy; Capuano; Lopez; Giarrusso

BACKGROUND

Procedure: Pursuant to Section 9.06 of the City of Cranston Charter, the Bureau of Traffic Safety shall issue a report prior to the adoption of any rule, regulation, or order relating to traffic. Such reports may include in-house and/or field investigations to compile data relative to crash/accident incidence; roadway geometry; sight line distance; current codified ordinance; and other traffic control standards as defined in the *Manual on Uniform Traffic Control Devices*, 2009 edition, approved by the Federal Highway Administration.

Existing Condition:

- Douglas St: two-lane low volume residential and commercial (25MPH) roadway; total ROW width of 40' including 8' both paved and unpaved sidewalk area; unrestricted parking on either side.
- Burnside St: two-lane low volume commercial (25 MPH) roadway in the subject segment.; total ROW width of 40' including 8' paved and unpaved sidewalk area; existing STOP condition at its intersection with Douglas St.; unrestricted parking on either side within the subject segment.
- Burnside St. and Douglas St. form a T-intersection approx. 110 degrees at its approach; no sight line restrictions; unlevel grade.
- Within approx. 40' of a T-intersection to the north formed by Hobson Ave. and Douglas St.

Staff Analysis:

- 0 of 9 MUTCD traffic control signal warrants satisfied.
- One minor motor vehicle accident within the period of 1/1/09-5/11/12 related to driver making excessive wide turn resulting in encroachment into opposing travel lane, no injuries.
- STOP condition on Burnside St. at Douglas St. currently exists in codified ordinance. Subject ordinance creates a duplication of existing code at this location.
- Traffic calming enhanced by narrow road width and unrestricted parking on either road.
- Subject ordinance creates an increased potential for rear-end collisions for motorists turning right from Hobson Ave. onto Douglas St. and encountering an unexpected STOP sign viewable less than 20 feet from rounding the corner... inadequate site distance and response time to react to STOP.
- Subject ordinance creates driver confusion and congestion within intersection due to interruption of normal progressive traffic flow, especially for vehicles entering and exiting surrounding businesses.
- Subject ordinance creates potential for back-ups onto Hobson Ave. due to interruption of normal progressive traffic flow.
- Potential tort liability to the City for creating an unsafe condition in conflict with sound engineering judgment.

FISCAL IMPACT

Funds for material and perpetual maintenance of these devices shall be expended from the Division of Public Safety operating budget under line item 101-1301-54103, Traffic Sign Materials.

RECOMMENDATION

Given that no MUTCD traffic control signal warrants are satisfied, appropriate STOP conditions already exist in code on Burnside St., and most importantly, that implementation of subject ordinance would create an unsafe condition with potential legal liability to the City, staff is guided to **strongly NOT recommend approval** of this ordinance. Additionally, approval of subject ordinance, as proposed, would be inconsistent with and duplicative of existing code.

STAFF REPORT

To: City Clerk

From: Stephen Mulcahy, Traffic Engineer (Acting)

Subject: Chapter 10.32, Section .030 entitled "Multi-way Stop intersections-enumerated" is hereby amended by adding thereto the following: (04-12-5) proposed.

Brimfield Road and Amherst Road, 4 way stop.

Date referred to staff: 4/25/12

CC: Zanni; Cordy; Capuano; Lopez; Giarrusso

BACKGROUND

Procedure: Pursuant to Section 9.06 of the City of Cranston Charter, the Bureau of Traffic Safety shall issue a report prior to the adoption of any rule, regulation, or order relating to traffic. Such reports may include in-house and/or field investigations to compile data relative to crash/accident incidence; roadway geometry; sight line distance; current codified ordinance; and other traffic control standards as defined in the *Manual on Uniform Traffic Control Devices*, 2009 edition, approved by the Federal Highway Administration.

Existing Condition:

- Sheffield Rd: two-lane uncontrolled low volume residential (25MPH) roadway; total ROW width of 50' including 10' unpaved sidewalk area; unrestricted parking on either side within subject segment.
- Brimfield Rd: two-lane low volume residential (25 MPH) roadway; total ROW width of 60' including 10' mostly unpaved sidewalk areas; existing STOP condition at its intersection with Sheffield Rd.; unrestricted parking on either side.
- Amherst Rd. two-lane low volume residential (25 MPH) roadway; total ROW width of 50' including 10' unpaved sidewalk areas; existing STOP condition at its intersection with Sheffield Rd. at two locations, one at its northerly segment near its approach to Budlong Rd, and one at its southerly segment opposite Brimfield Rd; unrestricted parking on either side.

Staff Analysis:

- 0 of 9 MUTCD traffic control signal warrants satisfied.
- No accidents reported within the period of 1/1/09-5/11/12.
- STOP conditions on Brimfield Rd. at Sheffield Rd. and Amherst Rd. at Sheffield Rd. currently exist in codified ordinance.
- Although Brimfield Rd. and Amherst Rd. approach Sheffield Rd. at skewed angles, there is ample sight distance to approaching traffic due to large radius corners within the intersection with no physical obstructions.
- The subject ordinance, as proposed, excludes Sheffield Rd. resulting in inadequate language to create a 4-way STOP condition. Furthermore, even with adequate language provided, deletion of existing code would be required to avert duplication of ordinance.

FISCAL IMPACT

Funds for material and perpetual maintenance of this device shall be expended from the Division of Public Safety operating budget under line item 101-1301-54103, Traffic Sign Materials.

RECOMMENDATION

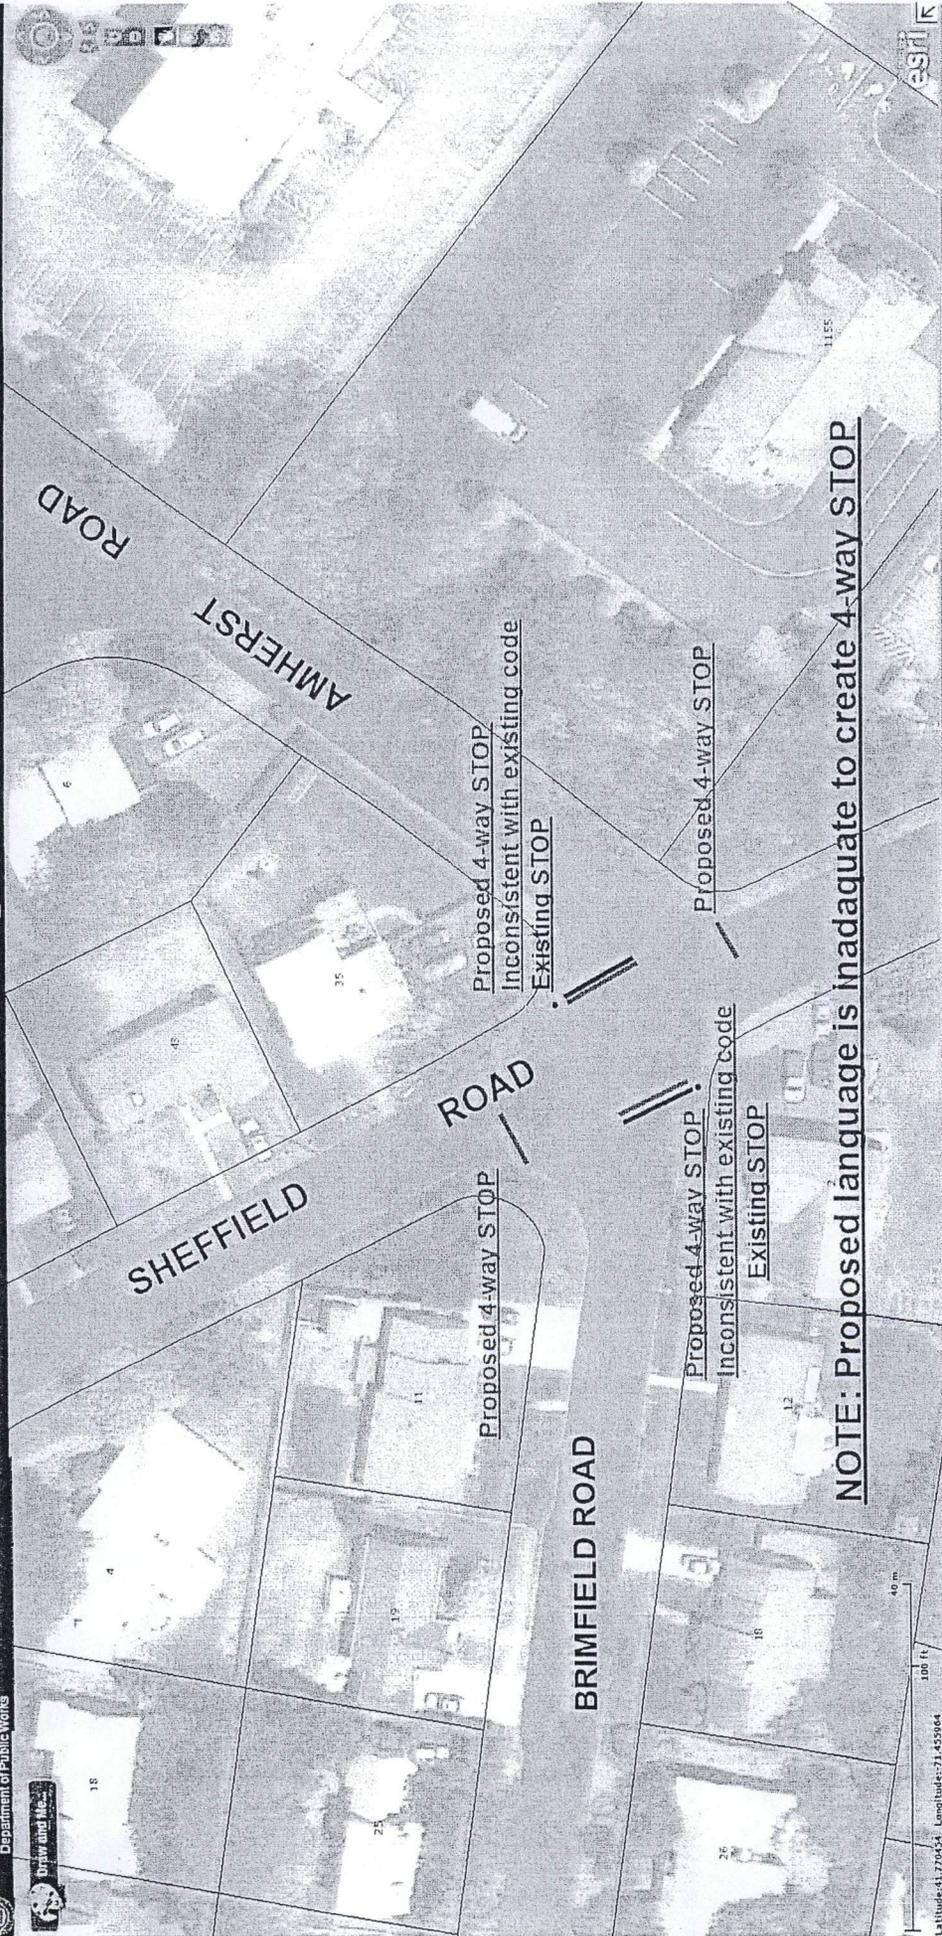

Given that no MUTCD traffic control signals warrants are satisfied for subject location, combined with **incomplete language to create a 4-way STOP**, sound engineering judgment guides staff to **NOT recommend approval** of this ordinance.

Subject: Chapter 10.32, Section .260 entitled "No Parking between 8:00 a.m. and 5:00 p.m. – Monday through Saturday" is hereby amended by deleting thereto the following: (04-12-7) proposed

[Calaman Road, in front of premises numbered 11 Calaman Road]

Date referred to staff: 4/25/12

CC: Zanni; Cordy; Capuano; Lopez; Giarrusso

BACKGROUND

Procedure: Pursuant to Section 9.06 of the City of Cranston Charter, the Bureau of Traffic Safety shall issue a report prior to the adoption of any rule, regulation, or order relating to traffic. Such reports may include in-house and/or field investigations to compile data relative to crash/accident incidence; roadway geometry; sight line distance; current codified ordinance; and other traffic control standards as defined in the *Manual on Uniform Traffic Control Devices*, 2009 edition, approved by the Federal Highway Administration.

Existing Condition:

- Calaman Rd: two-lane low volume residential (25MPH) roadway; total ROW width of 50' including 10' mostly paved sidewalk area within the subject segment; parking restrictions limited to 11 Calaman Rd.
- No Parking to Corner signage exists where Calaman Rd. intersects with Reservoir Ave. and in good condition.

Staff Analysis:

- No Parking to Corner signage already exists where Calaman Rd. intersects with Reservoir Ave.
- Calaman Rd. is sufficiently wide to safely accommodate parking on either side.
- Unrestricted parking serves to enhance traffic calming by narrowing roadway, inducing motorists to reduce speed to pass safely.
- Parking restrictions in front of individual homes without sufficient reason, creates hardship for other roadway users and area residents.
- Nearby neighbors may perceive parking restrictions that are limited to an individual address as unfair, setting precedent to perpetuate other unfounded requests.

FISCAL IMPACT

Elimination of subject signage would reduce the need for replacement and maintenance, thus leaving more funds available for warranted uses in the Division of Public Safety operating budget line item 101-1301-54103, Traffic Sign Materials.

RECOMMENDATION

Given no apparent reason, safety or otherwise, for the existence of parking restrictions at the subject location, it is the opinion of this office that such restriction is not based in sound engineering judgment, and/or applied objectively, therefore, staff recommends the **approval of the deletion** of subject ordinance.
