## Bureau of Traffic Safety

### STAFF REPORT

**To:** City Clerk

**From:** Stephen Mulcahy, Traffic Engineer (Acting)

**Subject:** Chapter 10.32, Section .030 entitled "Multi-way Stop intersections-enumerated" is hereby amended by adding thereto the following: (04-12-4) proposed

Burnside Street and Douglas Street. 3 way stop

**Date referred to staff:** 4/25/12

**CC:** Zanni; Cordy; Capuano; Lopez; Giarrusso

### BACKGROUND

**Procedure:** Pursuant to Section 9.06 of the City of Cranston Charter, the Bureau of Traffic Safety shall issue a report prior to the adoption of any rule, regulation, or order relating to traffic. Such reports may include in-house and/or field investigations to compile data relative to crash/accident incidence; roadway geometry; sight line distance; current codified ordinance; and other traffic control standards as defined in the *Manual on Uniform Traffic Control Devices*, 2009 edition, approved by the Federal Highway Administration.

#### **Existing Condition:**

- Douglas St: two-lane low volume residential and commercial (25MPH) roadway; total ROW width of 40' including 8' both paved and unpaved sidewalk area; unrestricted parking on either side.
- Burnside St: two-lane low volume commercial (25 MPH) roadway in the subject segment.; total ROW width of 40' including 8' paved and unpaved sidewalk area; existing STOP condition at its intersection with Douglas St.; unrestricted parking on either side within the subject segment.
- Burnside St. and Douglas St. form a T-intersection approx. 110 degrees at its approach; no sight line restrictions; unlevel grade.
- Within approx. 40' of a T-intersection to the north formed by Hobson Ave. and Douglas St.

**Staff Analysis:**

- 0 of 9 MUTCD traffic control signal warrants satisfied.
- One minor motor vehicle accident within the period of 1/1/09-5/11/12 related to driver making excessive wide turn resulting in encroachment into opposing travel lane, no injuries.
- STOP condition on Burnside St. at Douglas St. currently exists in codified ordinance. Subject ordinance creates a duplication of existing code at this location.
- Traffic calming enhanced by narrow road width and unrestricted parking on either road.
- Subject ordinance creates an increased potential for rear-end collisions for motorists turning right from Hobson Ave. onto Douglas St. and encountering an unexpected STOP sign viewable less than 20 feet from rounding the corner... inadequate site distance and response time to react to STOP.
- Subject ordinance creates driver confusion and congestion within intersection due to interruption of normal progressive traffic flow, especially for vehicles entering and exiting surrounding businesses.
- Subject ordinance creates potential for back-ups onto Hobson Ave. due to interruption of normal progressive traffic flow.
- Potential tort liability to the City for creating an unsafe condition in conflict with sound engineering judgment.

**FISCAL IMPACT**

Funds for material and perpetual maintenance of these devices shall be expended from the Division of Public Safety operating budget under line item 101-1301-54103, Traffic Sign Materials.

**RECOMMENDATION**

Given that no MUTCD traffic control signal warrants are satisfied, appropriate STOP conditions already exist in code on Burnside St., and most importantly, that implementation of subject ordinance would create an unsafe condition with potential legal liability to the City, staff is guided to **strongly NOT recommend approval** of this ordinance. Additionally, approval of subject ordinance, as proposed, would be inconsistent with and duplicative of existing code.

**ATTACHMENTS**

See annotated map.

## Bureau of Traffic Safety

### STAFF REPORT

To: City Clerk

From: Stephen Mulcahy, Traffic Engineer (Acting)

Subject: Chapter 10.32, Section .030 entitled "Multi-way Stop intersections-enumerated" is hereby amended by adding thereto the following: (04-12-5) proposed.

Brimfield Road and Amherst Road, 4 way stop.

Date referred to staff: 4/25/12

CC: Zanni; Cordy; Capuano; Lopez; Giarrusso

#### BACKGROUND

**Procedure:** Pursuant to Section 9.06 of the City of Cranston Charter, the Bureau of Traffic Safety shall issue a report prior to the adoption of any rule, regulation, or order relating to traffic. Such reports may include in-house and/or field investigations to compile data relative to crash/accident incidence; roadway geometry; sight line distance; current codified ordinance; and other traffic control standards as defined in the *Manual on Uniform Traffic Control Devices*, 2009 edition, approved by the Federal Highway Administration.

#### **Existing Condition:**

- Sheffield Rd: two-lane uncontrolled low volume residential (25MPH) roadway; total ROW width of 50' including 10' unpaved sidewalk area; unrestricted parking on either side within subject segment.
- Brimfield Rd: two-lane low volume residential (25 MPH) roadway; total ROW width of 60' including 10' mostly unpaved sidewalk areas; existing STOP condition at its intersection with Sheffield Rd.; unrestricted parking on either side.
- Amherst Rd. two-lane low volume residential (25 MPH) roadway; total ROW width of 50' including 10' unpaved sidewalk areas; existing STOP condition at its intersection with Sheffield Rd. at two locations, one at its northerly segment near its approach to Budlong Rd, and one at its southerly segment opposite Brimfield Rd; unrestricted parking on either side.

**Staff Analysis:**

- 0 of 9 MUTCD traffic control signal warrants satisfied.
- No accidents reported within the period of 1/1/09-5/11/12.
- STOP conditions on Brimfield Rd. at Sheffield Rd. and Amherst Rd. at Sheffield Rd. currently exist in codified ordinance.
- Although Brimfield Rd. and Amherst Rd. approach Sheffield Rd. at skewed angles, there is ample sight distance to approaching traffic due to large radius corners within the intersection with no physical obstructions.
- The subject ordinance, as proposed, excludes Sheffield Rd. resulting in inadequate language to create a 4-way STOP condition. Furthermore, even with adequate language provided, deletion of existing code would be required to avert duplication of ordinance.

**FISCAL IMPACT**

Funds for material and perpetual maintenance of this device shall be expended from the Division of Public Safety operating budget under line item 101-1301-54103, Traffic Sign Materials.

**RECOMMENDATION**

Given that no MUTCD traffic control signals warrants are satisfied for subject location, combined with **incomplete language to create a 4-way STOP**, sound engineering judgment guides staff to **NOT recommend approval** of this ordinance.

**CC:** Zanni; Cordy; Capuano; Lopez; Giarrusso

### BACKGROUND

**Procedure:** Pursuant to Section 9.06 of the City of Cranston Charter, the Bureau of Traffic Safety shall issue a report prior to the adoption of any rule, regulation, or order relating to traffic. Such reports may include in-house and/or field investigations to compile data relative to crash/accident incidence; roadway geometry; sight line distance; current codified ordinance; and other traffic control standards as defined in the *Manual on Uniform Traffic Control Devices*, 2009 edition, approved by the Federal Highway Administration.

#### **Existing Condition:**

- Calaman Rd: two-lane low volume residential (25MPH) roadway; total ROW width of 50' including 10' mostly paved sidewalk area within the subject segment; parking restrictions limited to 11 Calaman Rd.
- No Parking to Corner signage exists where Calaman Rd. intersects with Reservoir Ave. and in good condition.

**Staff Analysis:**

- No Parking to Corner signage already exists where Calaman Rd. intersects with Reservoir Ave.
- Calaman Rd. is sufficiently wide to safely accommodate parking on either side.
- Unrestricted parking serves to enhance traffic calming by narrowing roadway, inducing motorists to reduce speed to pass safely.
- Parking restrictions in front of individual homes without sufficient reason, creates hardship for other roadway users and area residents.
- Nearby neighbors may perceive parking restrictions that are limited to an individual address as unfair, setting precedent to perpetuate other unfounded requests.

**FISCAL IMPACT**

Elimination of subject signage would reduce the need for replacement and maintenance, thus leaving more funds available for warranted uses in the Division of Public Safety operating budget line item 101-1301-54103, Traffic Sign Materials.

**RECOMMENDATION**

Given no apparent reason, safety or otherwise, for the existence of parking restrictions at the subject location, it is the opinion of this office that such restriction is not based in sound engineering judgment, and/or applied objectively, therefore, staff recommends the **approval of the deletion** of subject ordinance.

**ATTACHMENTS**

See annotated map.

### STAFF REPORT

**To:** City Clerk

**From:** Stephen Mulcahy, Traffic Engineer (Acting)

**Subject:** Chapter 10.32, Section .040 entitled "No Parking on certain streets – Generally is hereby amended by adding thereto the following: (04-12-8 proposed)

Calaman Road, in front of premises numbered 11 Calaman Road

**Date referred to staff:** 4/25/12

**CC:** Zanni; Cordy; Capuano; Lopez; Giarrusso

#### BACKGROUND

**Procedure:** Pursuant to Section 9.06 of the City of Cranston Charter, the Bureau of Traffic Safety shall issue a report prior to the adoption of any rule, regulation, or order relating to traffic. Such reports may include in-house and/or field investigations to compile data relative to crash/accident incidence; roadway geometry; sight line distance; current codified ordinance; and other traffic control standards as defined in the *Manual on Uniform Traffic Control Devices*, 2009 edition, approved by the Federal Highway Administration.

#### **Existing Condition:**

- Calaman Rd: two-lane low volume residential (25MPH) roadway; total ROW width of 50' including 10' mostly paved sidewalk area within the subject segment; parking restrictions limited to 11 Calaman Rd.
- No Parking to Corner signage exists where Calaman Rd. intersects with Reservoir Ave. and in good condition.

**Staff Analysis:**

- No Parking to Corner signage already exists where Calaman Rd. intersects with Reservoir Ave.
- Calaman Rd. is sufficiently wide to safely accommodate parking on either side.
- Unrestricted parking serves to enhance traffic calming by narrowing roadway, inducing motorists to reduce speed to pass safely.
- Parking restrictions in front of individual homes without sufficient reason, creates hardship for other roadway users and area residents.
- Nearby neighbors may perceive parking restrictions that are limited to an individual address as unfair, setting precedent to perpetuate other unfounded requests.

**FISCAL IMPACT**

Funds for material and perpetual maintenance of this device shall be expended from the Division of Public Safety operating budget line item 101-1301-54103, Traffic Sign Materials.

**RECOMMENDATION**

Given no apparent reason, safety or otherwise, for parking restrictions at the subject location, it is the opinion of this office that imposing such restriction is not based in sound engineering judgment, and/or applied objectively, therefore, staff does **NOT recommend approval** of subject ordinance.

**ATTACHMENTS**

THE CITY OF CRANSTON

**ORDINANCE OF THE CITY COUNCIL**  
**IN AMENDMENT OF TITLE 5, OF THE CODE OF THE CITY OF CRANSTON,**  
**2012, ENTITLED "BUSINESS LICENSES AND REGULATIONS"**  
**(FIRE WORKS VENDOR LICENSE)**

*Passed:*

\_\_\_\_\_  
*Anthony J. Lupino, Council President*

**Approved:**

\_\_\_\_\_  
*Allan Fung, Mayor*

*It is ordained by the City Council of the City of Cranston as follows:*

**Section 1.** Title 5, Chapter 7 entitled " FIREWORKS VENDORS" is hereby amended by adding thereto the following:

**5.70.010- Definitions**

"Fireworks" means any exploding firework device which may be lawfully sold in Rhode Island, including the following: ground-based and hand-held sparkling devices (non-aerial fireworks) as defined in APA 87-1 2001 Edition sections 3.1.1 and 3.5, and include the following: fountains, illuminating torches, wheels, ground spinners, flitter sparklers, sparkers; novelties, which are defined in the APA 87-1 2001 Edition section 3.2 and include the following: party poppers, snappers, toy smoke devices, snakes, glow worms, wire sparklers and dipped sticks; paper caps containing not more than twenty-five hundredths (0.025) grains of explosive mixture ammunition to be consumed by weapons used for sporting and hunting purposes, and model rockets and model rocket engines, designed, sold and used for the purpose of propelling recoverable aero models, or any other Firework deemed legal for sale under § 11-13 of the Rhode Island General Laws.

"Vendor" means any business, person, or entity within the City of Cranston engaged in the sale or distribution of fireworks.

**5.70.020- License Required**

It shall be unlawful for a vendor to sell or offer for sale fireworks without first having obtained a fireworks vendor's license pursuant to this chapter. Fee for the city license shall be fifty dollars (\$50) per year.

47 **5.70.030- Unlicensed Sale of Fireworks**

48 Failure to obtain a fireworks vendor's license or failure to timely renew a  
49 fireworks vendor's license with the City of Cranston shall result in a fine of two hundred  
50 dollars (\$200).

51  
52 **5.70.040- License Application**

53 A Cranston fireworks vendor's license shall be made in writing to the office of the  
54 Cranston city clerk. The application will be issued administratively by the city clerk, and  
55 must include the name of the applicant, the name of the applicant's business, the location  
56 of where the fireworks will be sold, and any and all fire prevention devices which will be  
57 featured on-site. Applicants must be at least eighteen (18) years of age. In determining  
58 whether to issue the license, the city clerk may consider whether the vendor, or his  
59 business has had a past fireworks vendor's license revoked under section 5.70.070 of the  
60 Cranston Municipal Code.

61 Any vendor denied a fireworks vendor's license shall have the right to appeal to  
62 the Cranston city county safety services committee.

63  
64 **5.70.050-License Restrictions**

65 A Cranston fireworks vendor's license will only be issued and valid for one  
66 business address. If vendors have multiple retail establishments within Cranston, they  
67 must apply for multiple fireworks vendor's licenses if they wish to sell at each location.

68  
69 **5.70.060- Prohibitions applicable to license holders, their employees and agents**

70 A person who holds license issued under this chapter, or any employee or agent of  
71 same, is prohibited from selling, distributing or delivering any fireworks to any individual  
72 that is under sixteen (16) years of age.

73 A person who holds license issued under this chapter, or any employee or agent of  
74 same, is prohibited from selling, distributing or delivering any firework device which is  
75 unlawful in the State, specifically ground and aerial displays outlawed by § 11-13-1 of  
76 the Rhode Island General Laws.

77  
78 **5.70.070- Revocation of license**

79 A fireworks license will be revoked if the vendor, or any employee or agent of the  
80 same, is found to be in violation of section 5.070.060 of this Chapter. No fireworks  
81 vendor's license will be issued to the business address used in the application for one (1)  
82 calendar year from the revocation date of the license.

83 Any vendor who has their fireworks vendor's license revoked shall have the right  
84 to appeal to the Cranston city county safety services committee.

85  
86 **5.70.080- License Duration and Display**

87  
88 A fireworks vendor's license shall be valid for one (1) year. Every seller of  
89 fireworks, licensed under the provisions of this Chapter, shall display in a conspicuous  
90 place within such establishment, the license granted.

THE CITY OF CRANSTON

**ORDINANCE OF THE CITY COUNCIL**  
IN AMENDMENT OF TITLE 8, CHAPTER 12 OF THE CODE OF THE CITY  
OF CRANSTON, 2012, ENTITLED "Noise Abatement"  
(Fireworks – Hours of Use)

*Passed:*

\_\_\_\_\_  
*Anthony J. Lupino, Council President*

**Approved:**

\_\_\_\_\_  
*Allan Fung, Mayor*

*It is ordained by the City Council of the City of Cranston as follows:*

**Section 1.** Chapter 8.12, entitled "Noise Abatement" is hereby amended by adding thereto the following:

**8.12.100- Special activities prohibited**

- A. Sales by "Hawking" or "Barking." No person shall create a noise disturbance by offering for sale or selling anything by shouting or outcry across a real property boundary or in a noise sensitive area.
- B. Shouting and Loud Conversation. Between the hours of twelve a.m. and seven a.m. no person shall vocalize at such excessive vocal amplification in a residential zone that is plainly audible at a distance of one hundred (100) feet or more from the point measurement for a duration longer than ten (10) seconds. This includes, but is not limited to: yelling, laughing, hooting, hollering, screaming, or singing. This shall apply to vocalizations that either cross a real property boundary or originate in a public space or public right-of-way.
- C. Vehicle or Motorboat Repairs or Testing. No person shall repair, rebuild, modify or test any motor vehicle, motorcycle or motorboat in such a manner as to cause a noise disturbance across a real property boundary or within a noise sensitive area.
- D. Powered Model Vehicles. No person shall operate or permit the operation of a powered model vehicle in a public or private space out of doors or within a noise sensitive area between the hours of ten p.m. and seven a.m. the following day.

- E. Disorderly House. No person shall do either of the following:
  1. Keep a disorderly house or place of public resort whereby the peace, comfort, or decency of a neighbor is habitually disturbed; or
  2. Being the owner of, or in control of such premises, and to intentionally permit them to be so used;
  3. For purposes of this section, a disorderly house is defined as a residence or dwelling in which one or more noise disturbances resulting in a conviction or convictions in the municipal court have occurred within a three-year period;
  4. The owner of such residence or dwelling may assert as a defense reasonable efforts to take action against the perpetrators of the violation of this chapter, including the initiation of eviction proceedings pursuant to Rhode Island General Laws.

F. Fireworks Discharge. Use or discharge of legal consumer fireworks. Legal consumer fireworks may only be used or discharged within the City of Cranston, RI on the following dates and times:

1. Between the hours of twelve o'clock noon and eleven o'clock p.m. on July 1st of any year; and
2. Between the hours of nine o'clock a.m. and eleven o'clock p.m. on July 2nd through July 3rd of any year; and
3. Between the hours of nine o'clock a.m. and twelve o'clock midnight on July 4th of any year.

**Section 2.** This Ordinance shall take effect upon its final adoption.
